

# Project monitoring - version 5

Each task, at least in the first two milestones, is composed mostly readings and papers review. At the end of each tasks a small summary will be produced for that task. At the end of the milestone all summaries will come together to form a chapter of the final report.

## Milestones

- A) ~~Project assessment~~ COMPLETE
- B) ~~Concepts of QM~~ COMPLETE
- C) Concepts of information theory
- D) Investigation into bound information / Final submission
