

Tasks	w1	w2	w3	w4	w5	w6	w7	w8	w9	w10	w11	w12	w13	w14
project assessment														
basics of quantum mechanics														
quantum entanglement														
bound entanglement														
basics of information theory														
classical key agreement														
bound information														
writing thesis														
writing poster														
Milestones:	A		B		C		D
