Project monitoring - version 1

Each task, at least in the first two milestones, is composed mostly readings and papers review. At the end of each tasks a small summary will be produced for that task. At the end of the milestone all summaries will come together to form a chapter of the final report.

Milestones

- A) Project assessment COMPLETE
- B) Concepts of QM
- C) Concepts of information theory
- D) Investigation into bound information / Final submission

Tasks	w1 26.02	w2 05.03	w3 12.03	w4 19.03	w5 26.03	w6 02.04	w7 09.04	w8 16.04	w9 23.04	w10 30.04	w11 07.05	w12 14.05	w13 21.05	w14 28.05
